Dr. Plutko talked about the State Budget for K-12 Public Education and the upcoming Governor's May Revise. He mentioned some concern about what the governor may propose in his May Revise. Of note, School Services of California and other groups published STRS/PERS information regarding the 13-14 shift in responsibility to local districts and the significant impact that has on public schools, in addition to declining enrollment.

Superintendent Plutko concluded by acknowledging the R.E.A.C.H. Foundation for their outstanding work and support for PYLUSD students from Shamrock 'n Run to the Middle School Track Meet. He thanked them for all they do.

RESOLUTION NO. 24

RESOLUTION MAKING FINDINGS ON ENERGY SAVINGS AND DETERMINING OTHER MATTERS IN CONNECTION WITH ENERGY EFFICIENCY PROJECT

WHEREAS, it is the policy of the State of California and the intent of the State Legislature to promote all feasible means of energy conservation and all feasible uses of alternative energy supply sources; and

WHEREAS, Placentia-Yorba Linda Unified School District ("District") desires to reduce the steadily rising costs of meeting the energy needs at its facilities; and

WHEREAS, TerraVerde Renewable Partners, LLC ("TerraVerde"), has provided the District with analysis showing the benefits of implementing certain energy conservation measures, and TerraVerde's analysis ("Analysis") is attached hereto as Exhibit A and made part hereof by this reference; and

WHEREAS, the District proposes to enter into an energy services agreement and related contract documents ("Energy Efficiency Agreement") with **Baker Electric** ("Contractor"), pursuant to which Contractor will install and implement on District property certain energy saving improvements, including upgrades and modifications to exterior lighting systems and other energy conservation and efficiency measures which will result in greater energy efficiency and cost savings for the District sites on which such improvements and measures are located ("Project"); and

WHEREAS, the sites where such energy saving improvements will be located are: Mabel Paine Elementary School, Melrose Elementary School, Lakeview Elementary School, Travis Ranch School, Esperanza High School, Valencia High School, Yorba Linda High School; and other sites to be determined by the District; and

WHEREAS, the Analysis includes data showing that the anticipated cost to the District for the conservation services provided by the Project will be less than the anticipated marginal cost to the District of electrical energy that would have been consumed by the District in the absence of those purchases; and

WHEREAS, the Board of Education ("Board") proposes to enter into the Energy Efficiency Agreement substantially in the form presented at this meeting, subject to such changes, insertions, or omissions as the Superintendent or other designee reasonably deems necessary following the Board's adoption of this Resolution; and

WHEREAS, pursuant to Government Code Section 4217.12, the Board has held a public hearing, public notice of which was given at least two weeks in advance, to receive public comment; and

WHEREAS, the District's proposed approval of the Energy Efficiency Agreement is a project for purposes of the California Environmental Quality Act ("CEQA"); and

WHEREAS, the Guidelines for CEQA, California Code of Regulations Title 14, Chapter 13 ("State CEQA Guidelines"), exempt certain projects from further CEQA evaluation, including the following: (1) projects consisting of the operation, repair, maintenance, permitting, leasing, licensing, or

minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing use ("Class 1 Exemption; Cal. Code Regs., Tit. 14, § 15301); (2) projects consisting of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced ("Class 2 Exemption; Cal. Code Regs., Tit. 14, § 15302); (3) projects consisting of the new construction or conversion of small structures ("Class 3 Exemption"; Cal. Code Regs., Tit. 14, § 15302); (3) projects consisting of the new construction or consisting of the construction or placement of minor accessory structures to existing facilities ("Class 11 Exemption"; Cal. Code Regs., Tit. 14, § 15314), and the Project is categorically exempt under one or more of such exemptions; and

WHEREAS, the Project does not involve any of the following and so is eligible for a categorical exemption as described above under State CEQA Guidelines Section 15300.2:
